

Board of Directors

The Bridge Hospice is currently recruiting committed individuals to join our volunteer Board of Directors.

The Bridge Hospice is a 3-bed hospice residence serving Northumberland County and region. We offer a tranquil, intimate home away from home where individuals nearing end of life and their families receive exceptional care, guidance and support. All services are provided free of charge.

Bringing a wide range of experience and skills, our Directors are responsible for the effective governance and stewardship of our hospice, acting in a position of trust for the communities we serve. The Board is accountable for establishing the strategic direction of our organization to support us in fulfilling our vision, mission and values.

Board members are expected to serve a 3-year term, with an option for one renewal (up to 3 years); meet 10 times/year; actively participate on additional committees; and attend special events.

The Bridge Hospice is committed to diversity and inclusivity, and welcomes applications from interested individuals. Experience in accounting, fundraising, healthcare/palliative care, marketing, legal and/or not-for-profit governance is considered an asset, but not mandatory.

Interested candidates can submit their completed [**Board Director Application**](#)
