

Registration Tips

#2020Bridge

1. Come up with a Challenge!

- ✓ Remember, it has to involve “20”, and be completed between August 20 & October 20, 2020. See our event page for ideas or come up with your own.
- ✓ If you can, make a 30-second video clip saying your name, telling us what you’ll be doing for your Challenge. Otherwise a photo & description are great too! Send it to info@thebridgehospice.com and we’ll post it on our event page.

2. Register online

- ✓ Click on register button. This will take you to the Canada Helps website.
- ✓ You’ll be prompted for a password if Canada Helps recognizes your email address. This is a necessary step. Never fear: just click on Forgot your Password (like 99% of us!) Write down your password for whenever you need to sign into your page.
- ✓ Otherwise you’ll be prompted to set up a new account. Again, never fear – it’s so Canada Helps can set you up with your own fundraising page and recognize you in future. Write down your password for whenever you need to sign into your page.
- ✓ Registration fee is \$20, regardless of age. You’ll receive a souvenir T-shirt in November. (Charitable tax receipts are NOT issued for the \$20 registration fee.)
- ✓ Please note: Only 1 person at a time can be registered per purchase. If you have multiple people to register, each must be done separately. Apologies for inconvenience. If you prefer, contact Alison weekdays, 705-924-9222 or info@thebridgehospice.com
- ✓ If you are going to join a Team, you still have to register individually, then find your team.
- ✓ As soon as you register, you’ll automatically receive **your own fundraising page**. Here’s where you tell your personal story: What’s your chosen Challenge? Why are you supporting The Bridge Hospice? Pics please!
- ✓ Fundraising page tips: to edit/update your page, you’ll need your password. Use the blue pencil icon to edit. Pics & videos should be LANDSCAPE / horizontal, not vertical please.
- ✓ Email friends & families to let them know you’re participating in The Bridge Hospice 2020 Challenge. #2020Bridge

Remember you’re not asking for yourself – you’re asking for a proven community service that desperately needs help!

Thank you! Good luck & have fun. We appreciate everything you can do to support The Bridge Hospice in the 2020 Challenge! Good luck!
